Dear Parents and Guardians,

During our three day mini-camp (March 16-18), we hope to provide your child with an enjoyable and positive basketball experience. We plan to emphasize the fundamentals of the game in a fun-filled atmosphere. Each day will include drills that emphasize crucial basketball skills, contests with prizes, and games.

As you might know, the Statesmen are currently hard at work trying to win another Suburban Conference Championship. This season has already featured several highlights: a season opening win over defending state champion Rockbridge at Mizzou Arena, a thrilling victory over rival Kirkwood, and strong showings in both the Webster Classic and Coaches vs Cancer Tournament. We are eager for the opportunity to meet and work with the younger students in our district that will someday continue the tradition. We feel that this is a great chance for our current players and coaches to share the excitement and skills that have made us one of the premier programs in the state.

The registration form is on the opposite side of this brief letter. Please complete it and mail it to the high school to reserve your spot. You may also sign up at statesmensportscamps.com. If you have any questions regarding the mini-camp please feel free to contact me.

Coach Justin Mathes
